

Fire Inspector /Inspector Trainee Community Risk Reduction

Evergreen Fire/Rescue in beautiful Evergreen, CO, is seeking an energetic, willing to learn, team oriented member for the position of Fire Inspector/Inspector Trainee. Evergreen Fire/Rescue, founded in 1948, is a progressive, dynamic, community-focused department comprised of a combination of paid staff and volunteers. Evergreen is a thriving community offering a mountain-town feeling with a variety of outdoor activities, trails, parks, restaurants, entertainments, art galleries and specialty stores within a short drive to downtown Denver.

What you can expect from us upon hire:

- Opportunity to be able to truly make an impact
- Enthusiastic support for creativity, resourcefulness, and out-of-the-box thinking
- A deep appreciation of and gratitude for your passion to serve the community
- Ability to work with a positive, supportive, collaborative team
- Entry level position that will be trained as a Fire Inspector
- A competitive salary (\$50,000-\$65,000), a comprehensive benefit package for medical, dental, vision, disability, life insurance and retirement. Employer pays 100% of employee and 80% of dependent coverage, 12 paid holidays and 120 hours of paid time off annually to start

What we'll expect from you:

- Desire to serve growing community
- Ability to work both as a team and independently
- Ability to present material within various age groups
- Ability to use critical and analytical skills
- Excellence at managing expectations and risks, and proactive communication
- Willingness to learn, self-motivated and a drive for continuous improvement
- The candidate will have or be able to obtain a Colorado driver's license within 30 days
- Authorize and pass a background investigation and a physical examination (including drug screen).

What you will be doing:

- Effectively communicate with businesses and community members
- Coordinate and enhance Fire Prevention through inspections assuring the structures in the community meet the codes adopted by the Fire District for the protection of life and property.
- Conducting scheduled inspections, detection of safety hazards and identification of corrective action
- Assist and support Risk Reduction Coordinator in education, events and activities in the community
- Conduct home defensible space assessments
- Provides support for the ECARES program

The ideal candidate will have:

- High School Diploma or GED
- Driver's License with no major violations
- Desire and ability to learn
- Two years of post-high school education in college, technical school or other
- Two years' work experience (fire experience is a plus)

Nice to have:

- Experience in educational programs
- ICC Fire Inspector I
- Fire Investigator
- NIMS/ICS 100, 200, 700, 800
- Fire and Life Safety Educator I certification

Following is the process we're using to build our pool of talented applicants:

1. Submit a Cover Letter and Resume that includes copies of:
 - Diploma for highest education level completed; and any certifications of continuing education and professional development in lieu of education requirement
 - Current Driver's License
 - Written summary of all current certifications
 - Name and contact information for three professional references
2. First review of resumes begins on December 7, 2021. Job is open until filled.
3. Upon review of your application, we'll either thank you for applying or we'll give you an invitation for panel interview and presentation assignment.
